

Pediatric Interventional Radiology Fellowship

Great Ormond Street Hospital for Children

Location: London United Kingdom

Affiliated Academic Institution: UCL Institute of Child Health

Contact: Samantha Chippington

Email: Samantha.Chippington@gosh.nhs.uk

Website:

Description of Fellowship

The Great Ormond Street Hospital Paediatric Interventional Radiology (PIR) Fellowship is well established and, to our knowledge, is the only PIR Fellowship in Europe. The Fellowship runs for one year and is predominantly based in our dedicated IR department which consists of 3 fully equipped IR suites where we undertake 19 GA lists/week, 4 non-GA lists/weeks, a number of outpatient clinics and a multitude of multidisciplinary team meetings. The position also includes 1 day/week of Paediatric Diagnostic Radiology (PDR), inclusion in the PDR on-call rota and dedicated time for admin/research.

There are numerous opportunities to undertake academic work and Fellows are encouraged to submit and present research at national and international meetings.

Fellowship Details

Pediatric IR Section Chief or Division Chief: Dr Samantha Chippington

Pediatric IR Fellowship Director: Dr Samantha Chippington/Dr Alex Barnacle

Fellowships Available:

- Pediatric Interventional Radiology Only
- Combined Pediatric Radiology and Pediatric Interventional Radiology
