

The Department of Radiology & Imaging Sciences at Indiana University School of Medicine in partnership with Indiana University Health Physicians is seeking a fourth Pediatric Interventional Radiologist to meet the needs of expanding business at Riley Hospital for Children in Indianapolis, Indiana. This is a clinical track position.

The candidate will join a group of 17 Adult Interventional Radiologists and 3 Pediatric Interventional Radiologist in the Interventional Radiology Division.

Riley Hospital for Children is a large nationally recognized children's hospital and Level 1 Trauma Center. In addition to subspecialty Pediatrics across multiple areas, Riley has a well-established vascular anomalies team with which this position would be involved. Additionally, the hospital system has consolidated maternity services at Riley, offering comprehensive maternal-fetal care as well.

Hospital facilities are state-of-the-art, including two new interventional suites. This position will be based primarily at Riley Hospital. Candidates must have certification with the American Board of Radiology as well as experience or fellowship training in Pediatric Interventional Radiology. Formal training in adult Interventional Radiology is also desired.

Benefits include a competitive salary and comprehensive benefits including medical, dental, CME, paid ACR membership, a business expense account, and paid malpractice insurance.

As the nation's largest medical school, IUSM is committed to being an institution that not only reflects the diversity of the learners we teach and the patient populations we serve, but also pursues the values of diversity, equity and inclusion that inform academic excellence. We desire candidates who enhance our representational diversity, as well as those whose work contributes to equitable and inclusive learning and working environments for our students, staff, and faculty. IUSM strives to take an anti-racist stance, regularly evaluating and updating its policies, procedures, and practices to confer equitable opportunities for contribution and advancement for all members of our community. We invite individuals who will join us in our mission to advance racial equity to transform health and wellbeing for all throughout the state of Indiana.

Indianapolis is the capital and most populous city in the State of Indiana. It is growing economically thanks to a strong corporate base anchored by the life sciences. Indiana is home to one of the largest concentrations of health sciences companies in the nation. Indianapolis has a sophisticated blend of charm and culture with a wonderful balance of business and leisure. The growing residential base is supported by rich amenities and quality of life – the city possesses a variety of professional sports, arts venues and outdoor recreation areas. Residents of this dynamic city, and surrounding suburbs, enjoy leading educational systems and top-ranked universities, paired with a diverse population. Indianapolis International Airport is a top-ranked international airport, being named “Best Airport in North America” by Airports Council International for many years.
